

Features

About the Tymin SOS telephone

Improve your home protection with the Tymin sos Telephone. It operates just like a regular landline telephone

but it is capable of so much more. This desk and wall mountable telephone features an SOS emergency remote pendant with a working distance of 30 meters.

This means it can activate a call to 911 if you or a loved one cannot reach the phone.

It also supports multiple languages and has two one-touch keys with an auto emergency dialing function.

Another useful feature is the extra large, easy-to-read number buttons, which are backlit for comfortable viewing.

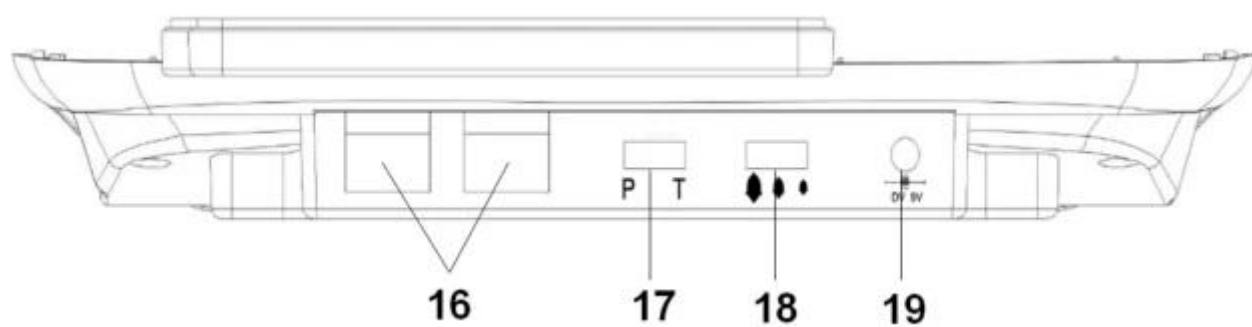

This speakerphone telephone with emergency keys and remote pendant makes a thoughtful gift for a single person.

The Tymin SOS Telephone keeps you connected with first responders and allows 50 additional numbers to be programmed in.

Main feature

- * SOS phone can be programmed to automatically call up to 10 emergency phone numbers.
- * Supports up to 5 Wireless Pedants- Trigger emergency call up to 100 feet away from the base.
- * It can play a pre-recorded message when calling emergency numbers.
- * Hearing Aid Compatible - Handset volume can be amplified by +40 dB, extra loud rings rated 90 +dB at most
- * Visual incoming call flashing light alert on handset.
- * ON/OFF Talking Caller ID - Voice announces incoming calls (phone numbers) and menu options.
- * Supports 6 languages on display and voice prompts (English, Spanish, French, Italian, Netherlands & German)
- * Large, easy to read LCD display with 5 levels of brightness and blue backlighting (requires batteries - not included).
- * Phonebook stores up to 50 telephone records (16 digit names & phone numbers).
- * Remote control functions include:
 - (1) Press button on pedants to answer calls (press for 3S),
 - (2) dial out pre-programmed SOS emergency numbers.
- * Two groups one-touch memory and one group one-touch emergency push buttons on base unit, one 1-touch emergency push button on wireless pedants.
- * Stores up to 20 groups outgoing calls, 50 groups incoming calls
- * Retains all phone records and settings even if power is lost (Uses non-volatile memory).
